## **Skipwith April 2012**

Twelve riders came out to test their skills at Skipwith on April 29, 2012. Bob O'Sullivan laid out 8 sections and riders made 4 loops for 32 sections in total. The day started out overcast, and some of the sections were wet and slippery. As the day went on the sun came out and the sections dried out. It turned out to be a beautiful spring day. Thank you to the O'Sullivans for letting us use their beautiful property, and to Bob for putting on this great event.
